

IEP Mini-Series

Presented by Joy Bux & Priscilla Cuba, SEDOL Parent Mentors

SEDOL Prevocational Services Building, 18020 Gages Lake Rd., Gages Lake, IL

Wednesday Mornings 9:30 - 10:30 a.m.

January 18	Law, Eligibility, and Evaluations
January 25	Present Levels of Performance and SMART Goals
February 1	Progress Monitoring/Accommodations & Modifications
February 8	Communication and Collaboration

Join us for a cup of coffee on Wednesday mornings as we cover critical aspects related to the development and ongoing review of your child's Individualized Education Plan (IEP) as well as how to effectively participate in the process. Each week a specific part of the process will be discussed in detail. Resources and strategies will be provided for future use and time will be allowed for questions.

We recommend that you attend all four sessions; however, you may register for individual sessions.

This program is free of charge and is open to all families & educators within SEDOL's member districts. We hope to see you! Babysitting *will not* be available.

Please call 847/986-1126 or 847/721-3567 with any questions.
