March 31, 2020

Dear Parents and Guardians:

I hope this message finds you and your families safe and well. Today, Illinois Gov. JB Pritzker announced that Remote Learning in Illinois will be extended through April 30th in order to slow down the spread of COVID-19.

During this time, our school buildings and grounds will remain closed, however our schools' commitment to learning and education will remain open. Learning will continue for all students - just through a different format.

While it is not ideal, we want to assure you that at Lake Villa 41, our teachers and staff are fully engaged and willing to take on this new challenge and push forward with Remote Learning, engaging with students and continuing with our food distribution program. Our staff is anxious to interact with students albeit in a much different fashion starting on **April 7th**. Our Remote Learning Plan will be posted on our district website on Friday.

Student Lunch Meals Update

Based on the lower volume of Grab and Go lunches that have been distributed to date and also to assist in social distancing, starting Monday, April 6th, student lunches will be distributed only two days per week following the distribution model below:

Monday - two student meals can be picked up for Monday and Tuesday

Wednesday - three student meals can be picked up for Wednesday, Thursday and Friday

There will be no meal pick up on Tuesday, Thursday, or Friday beginning the week of April 6th.

All enrolled children and any children up to age 18 are eligible for a free daily meal and no children have to be present to get meals. Meal pick up times will continue to be 11:00 a.m. - 1:00 p.m. at Palombi Middle School - Entrance #5.

I know this is not the school year that any of us imagined, but I want to thank you for your patience and understanding as we have dealt with this unprecedented situation together. Please stay safe and stay healthy.

Sincerely,

Dr. Lynette Zimmer
Superintendent
