October 20, 2020

Dear Lake Villa 41 Parents and Staff,

As you are aware, we have been closely monitoring [Incidence Rates of COVID 19](#) cases in Lake County as well as those in the Lake Villa 41 District. I am saddened to inform you that based on the data, as well as on the [recent recommendation of the Lake County Health Department](#), we will **not** be moving into a Hybrid Learning Model at this time. For now, we will be staying with complete Remote Learning for all students. **We will continue to follow the Remote Learning schedule: 8:45 AM - 2:30 PM.**

We will continue with full remote until the COVID Incidence Rates in Lake County drop to less than 14 for seven consecutive days so we can bring students and staff back safely. I will be diligently monitoring the health data because I know how desperately staff and students want to return on-site.

Please know that all of our hard work planning to reopen in a hybrid model and outfitting our schools for safety won't be for naught - our doors will open again at some point and our plan will be fully executed. For now, we have to wait, be patient, and practice good health habits until we can come back and be together once more. Stay strong!

Respectfully,

Lynette Zimmer
